Dear Valued Nutrex Customer:

This letter is to inform you that due to the COVID-19 pandemic there has been an increase in material shortages which affect our market in the dietary supplement field but be assured that we continue to work diligently to combat these issues. To reduce production delays, we are announcing that various Nutrex Research products will be going from a vegetable HPMC capsule sourced from partners such as Capsugel®, to a vegetable HPMC capsule sourced from CapsCanada®. For your reference, you may find renders of the capsules below to visually present the new changes to come.

- Old Capsule:
- New Capsule

If you have any questions regarding your product and/or its' authenticity then please feel free to reach out to our office directly via email at info@nutrex.com or via phone at 1-888-3NUTREX.

Sincerely,

Scott Brooks
Operations Manager
Nutrex Research, Inc.
